

# Tips to enjoy the zoo with new ideas

— Protect Your Loved Ones —

**Wearing a mask is recommended in crowded places.**

\*Wearing a mask in hot weather carries the risk of heat stroke. Please maintain social distance and remove it as needed.

\*Some staff may also remove their masks to prevent heat stroke.

**Wash your hands often.**

**Refrain from talking loudly.**

**Do not stay too long in one spot when watching animals.**

**Please refrain from eating in the queue.**

**Do not touch the animals or exhibits.**

**Please do not knock on the glass of the exhibition facilities.**

**Never feed the animals.**

**Take pictures without taking time and never bother other visitors.**

## At Shops and Eating Spaces

**Please visit the gift shop off-crowded hours.**

**Please do not stay too long in the restaurant.**

**Please keep conversations to a minimum.**

**Please pay with credit cards or electronic money.**

Thank you for your understanding and cooperation.
